Why is Adult Education important?

Did you know...

- Full-time workers with a high school diploma earn almost $10,000 more per year than those without a diploma
- Adults without a diploma are more than twice as likely to be living in poverty as those with a diploma
- By 2020, 65% of all jobs will require a level of education beyond a high school diploma
- A mother’s education level is the greatest determining factor of her child’s future academic success
- The U.S. is falling behind other countries and cannot compete economically without improving the skill of its workforce
- By 2030, nearly one in five U.S. workers will be an immigrant
- Nearly 20 millions U.S. adults have limited English language proficiency
- In a recent national survey, 92% of business leaders thought that U.S. workers were not as skilled as they needed to be

Opportunities for Success!

High School Equivalency (GED) Classes
Designed for students seeking to obtain a South Carolina High School Equivalency Diploma. Classes assist students in preparing for the Math, Language Arts, Science, and Social Studies tests.

High School Diploma Classes
Designed for students seeking to obtain a South Carolina High School Diploma. Students must have a minimum of 12 units to enter the program, and they must meet requirements set by the South Carolina Department of Education.

English as a Second Language (ESL)
Designed to assist students needing help communicating in the English Language.

College and Career Navigation
Designed to assist adult education students with the college application process, individual career plans, employability skills and job search referrals.

Career Readiness
Designed for students wishing to obtain a Career Readiness Certificate (WIN). The Career Readiness Certificate is an assessment system for developing, documenting and measuring "real world" skills critical to job success.

Skills Upgrade
Designed for individuals seeking to improve their academic skills. Useful to students preparing to take the ACCUPLACER, ASVAB, NCCER, or other standardized assessments.
