UNLOCKING LITERACY TOGETHER

LEARN VOLUNTEER READ

A Place where adults learn to read,
write & acquire new skills

WE CAN UNLOCK LITERACY TOGETHER

Imagine you couldn't read a book to your child, or are unemployable simply because you can't read the application. For more than 15,000 adults in the Sioux Empire, this is reality.

REACH is here to help. Our mission is to provide individualized reading, writing and life skills tutoring that empowers adults in the Sioux Empire to reach their full potential.

REACH A READER BOOKSTORE

REACH a Reader is a quality used bookstore selling books of all genres to promote reading and support program costs.

All books range from \$1-\$2 in cost. Because we rotate stock regularly customers love coming back to find a new selection to choose from.

REACH A READER BOOK GRANTS

REACH a Reader has a room dedicated to children's books. Because we believe literacy starts in the home we give children's books away for free. We provide books for local teachers, nonprofits, and other organizations through our REACH a Reader Book Grant Program. The grant application for can be found at www.reachliteracy.org.
